**RECOMMENDED ACTION:** None required. This report to the City Council is made in compliance with Lodi Municipal Code Section 2-12-120.

On June 28, 1994, the City completed the sale of one surplus sewer inspection van, mounted with a sewer inspection television and recording system, to the Humboldt Community Services District in Eureka, California, in the amount of \$9,500.00.

**BACKGROUND INFORMATION:** On March 17, 1993 the City Council authorized the sale of the surplus van and equipment formerly used by the Water/Wastewater Division.

Bids were sent to nine companies expressing an interest in the equipment; none submitted a proposal.
